

Can you do the 'Name 3 Things' challenge?

1. Firstly, print this sheet out and then stick it onto a thin sheet of cardboard.

2. Next, cut around the edge and glue the flaps to the opposite edge, making a cube shape.

3. Have fun taking it in turns to roll the dice and seeing if you can name the three things that are asked.

Name 3 things that make you feel sad.

Name 3 things that make you feel excited!

Name 3 things that make you feel angry.

Name 3 things that make you jump for joy!

Name 3 things that make you feel happy.

Name 3 things that make you laugh out loud!
