A WARM WELCOME

Thank you very much for registering your interest in our charity skydive.

This pack will tell you all you need to know about the experience, and how to complete your sign up.

About BCCS

We are an established children's charity delivering vital mental health and emotional wellbeing services in schools across Essex and East London, irrespective of their background or faith.

Through one-to-one work in schools, dedicated counselling at our Head Office and expert training and supervision to school staff, parents and carers our highly qualified counsellors, therapists and social workers provide support to over 100 schools for over 1,000 children and their families each year.

YOUR EXPERIENCE

Here's an outline of what you can expect on the day

1

Training

- An introduction to your team and what you can expect from your tandem skydive
- Specialist training in a simulated environment

2

Safety

- Full kit-up from the ground crew
- Instruction & practice of free-fall & landing positions
- Final training

3

Flight

- Your personal tandem skydive instructor will escort you to the place and secure your harness
- The plane departs above the scenic views of the Kent countryside

4

Freefall Skydive

- You and your instructor will begin your high-adrenaline freefall from your chosen altitude, rushing at ~125mph (lasting for approximately 30-60 seconds depending on jump height)

5

Parachute Ride

- At 5,000ft your instructor will deploy the parachute, slowing your decent to ~30mph, floating through the air towards your landing area
